   Incomplete applications will not be considered.

In addition to current revenues, the global financial situation of the family will be taken into account:

- ➢ The possibility that the family's financial situation will improve. In the case of two parents, both should have a professional activity except if one of them is prevented from it by a medical reason, having to take care of young children and/or other dependent people or because of the requirements of the spouse's work.
- ➢ In case of separation/divorce, the contribution of the absent parent
- ➢ Any contribution to the family expenses by other members of the family.

2. The Director and Heads of Department as appropriate will examine supporting documents and interview the candidate and family to assess the applicant's background.

3. The family's global financial situation shall be assessed by the Director and the Bursar, who shall confirm to the Board that the financial eligibility criteria are met. The Section considers a family with a *revenu fiscal de référence* not greater than 10,000 € per fiscal household as eligible for consideration.

4. Candidates are informed of the decision in mid-June.

The Scholarship shall be renewed for each school year at the request of the family and the recommendation of the Director notified to (but not subject to approval by) the Board based on:

- **Achievement:** the continued academic performance in both Anglophone and non-Anglophone subjects. Performance should be deemed by the *Conseil de Classe* as sufficient for progress to the next academic year.

- **Attitude** towards school/behaviour: positive attitude towards school, respect towards adults and peers

- **Continued financial need** of the family

The Scholarship may not be paid in respect of any repeated school years.

4. **Modifications to the Policy**

All scholarships depend on the availability of funds and the conditions defined by the current policy which may be modified by the Anglophone Section of Fontainebleau. Potential candidates for the Scholarship Fund should inform themselves of the conditions, procedures and deadlines.
